RE: Interest Survey – Before and After School Care Program

DaVinci Academy is considering adding a before and after-school care program for our school community. In order for us to determine if there is enough interest to justify this additional service, we are requesting that each family complete this short, eight question survey. The survey will be available until Tuesday, November 8. Results of the survey will be presented to the board of directors at the November 28 meeting. If approved, we hope to open this program in January.

We appreciate your time in completing this survey. Providing feedback to surveys is one more way to participate and remain connected with the school. We wouldn't be a school without our families and we need you to make this the best it can be.

Click here to begin the survey http://www.surveymonkey.com/s/Before_and_After-School_Interest_Survey

We appreciate all you do to partner with DaVinci Academy to educate our students for success!

Lee Swearingen
